

# *Librarian Career Project*

You will create a brochure advertising librarianship as a career.

Use Microsoft Office Publisher to create the brochure and NC WiseOwl for your information about library as a career.

## **To find your research:**

Go to NC WiseOwl and click on High School Zone.

On the left hand side, click on careers.

Click on the Exploration tab.

Click on Occupation Search.

Click on A-Z Search.

Find librarian in the list.

## **To create the brochure:**

Go to Microsoft Office—Microsoft Office Publisher.

Include the answers to these questions and any thing else you would like to include.

1. What education/training do you need to be a librarian?
2. What jobs/tasks do librarians do?
3. How much money do librarians make?
4. What is the job outlook? Will there be many job openings in the next few years?

Add graphics and make your brochure appealing.
